Alonzo Malvarez

Alonzo Malvarez serves as a missionary intern in Japan.

My mission is to embrace, equip, and empower generations to fulfill the great commission. I have served in various places, from the underserved urban communities of my hometown to the nations of our world.

Following the leading of the Holy Spirit, I will serve under the Japanese Church of God Pastor, Izaya Yatsuzuka and associate ministers to raise up a revival generation in Japan to live in the confluence of uncompromising love for God and a sincere love for others.

I believe that no field is too dark or too difficult for God to redeem.

If you would like to partner with what God is doing in Japan, please continue to lift the nation and me in prayer and consider giving a contribution to the ministry.
