Bringing the hope of Jesus Christ to Persian-speaking people in Iran, the Middle East, and beyond.

Our mission is to bring the hope of Jesus Christ to Persian-speaking people, with a primary focus on Iran and the Middle East region. We make disciples who make disciples, establish and strengthen healthy Christ-centered house churches, train and equip local ministers, provide biblical teaching and pastoral care, distribute Bibles, and meet practical needs. Through evangelism, discipleship, prayer, and compassionate service, we equip believers to grow in faith and reach others with the Gospel.

I was born and raised in Iran and came to faith in Jesus Christ from a Muslim background. As an ordained minister with the Church of God, I serve alongside my wife with a God-given calling to reach Persian-speaking people. Following years of theological and missionary training and cross-cultural ministry, we are committed to seeing lives transformed by Christ.

During ministry in Iran on one occasion, I met a shopkeeper overwhelmed by hopelessness. I embraced him, wept with him, and with his permission prayed for him in Jesus’ name. When I placed a Bible in his hands, his tears became tears of joy. He and his wife had prayed for three years to receive a Bible of their own. Seeing God use our obedience, even at personal risk, to bring the hope and love of Jesus to someone in need remains one of the most blessed and unforgettable moments of my ministry.

Our vision is to establish a ministry base in the Middle East, allowing us to serve the growing Persian-speaking diaspora while remaining connected to our house churches in Iran. From there, we hope to encourage, disciple and equip local ministers to serve their communities with greater strength and effectiveness. This strategic location will keep us close to the people God has called us to serve. Through prayer and partnership, you can help us carry this vision forward.
