

## Karina and Juan Ramirez

Karina and Juan Ramirez serve as educators and community workers in Bulgaria.

We are the Ramírez family, Karina, Juan Carlos and Darah. We are serving in Bulgaria as educators and social community workers. We also teach Spanish language as an evangelistic strategy to share the Gospel of Jesus Christ. We work with children and adults.

I come from Bulgarian descent, and I knew that one day God was going to move me to Bulgaria. My husband, Juan, did a short-term missions trip to Bulgaria where God showed him that He wanted to use him in that place.

We obeyed the call of God and became missionaries. Our most significant experience has been to witness people giving their hearts to Jesus Christ as their only Savior and then to see their transformations.
