

# Nate and Megan Turner

Nate and Megan Turner serve in multiple countries by bringing divine awakening to the nations through training, equipping and mentoring.

Nate and Megan reside in Blantyre, right outside the city of Glasgow, Scotland, the home of the legendary missionary David Livingstone. Although we moved to Scotland from the USA in 2016, our ministry is to train and equip leaders and believers world-wide into spiritual maturity and supernatural living in their daily lives with a particular focus on prophetic, healing, and deliverance ministry. Our ministry, called Turner Missions, offers online global training and mentorship, in-person Supernatural Masterclasses, and in-person intensives throughout the year along with itinerant ministry.

As revivalists and prophetic voices, our passion is the pursuit of Jesus! For the past 17 years we have served in full-time ministry in various leadership roles inside and outside the church. Our desire is to have an impact on the church in Europe, the Middle East, Asia, and abroad in setting a normal standard of living through miracles, signs, and wonders which have been lost in many churches. Both of us are credentialed ministers. Married in 2007, we have 3 children, Elias, Alexis and Luke.

Our deeper walk in the supernatural journey began in 2017 when we began operating in words of knowledge. This arose out of non-stop studying of historical revivalists, healing ministry, and how to operate in supernatural living just like Jesus did. As we sought these things out, we began to step out in faith and saw healings take place in shops, restaurants,

churches, miracle clinics, and various locations.
