Adam Zygarewicz

Adam Zygarewicz plants churches and trains leaders in the Russian Federation.

We began our ministry in Bolivia and then relocated to Russia where we planted a church in St. Petersburg in 1994. Our work through humanitarian efforts at a local crisis center produced converts for the Kingdom of God.

For over 30 years I prayed for Russia, the land of my parents, and asked God to open the doors to the Gospel. I am glad God gave me the opportunity to go and preach the Word to the last, the least, and the lost in Russia. Our vision and work is to continue to plant churches and train Russian leaders.
