## The Second 100 Days of the 365 Challenge

More than 3.37 billion people have not heard the name Jesus. As Christians, we believe Christ will return to claim the Earth as His kingdom. Time is short. Time is precious. The call to share the Gospel is for everyone. We must answer the call and make it a priority.

From the moment the International General Assembly elected Dr. M. Thomas Propes as the General Director of World Missions, the 365 Challenge was launched. The 365 Challenge takes advantage of each day on the calendar to ensure the Good News of the Gospel is sent to those who have not yet heard.

Church of God World Missions is approaching the second 100-day mark of this administration. The testimonies from partners and team members around the globe are confirming that the 365 Challenge is at the very heart of God. We are addressing humanitarian needs which have opened the door for us to share the Gospel of Jesus Christ.

Under the direction of Dr. Propes and Dr. Childers, much has been accomplished in the second 100 days. Through the 365 Challenge, we have focused our efforts upon the physical, material, and spiritual needs of humanity.

The final success of our initial efforts will be measured in Heaven. Preliminary results, however, show that the 365 Challenge is making a significant difference. In the second 100 days, at least 47,000 have come to know the Lord as their Savior, while 112 life-giving churches have been planted by World Missions, globally. God is on the move, and we are excited to see what He will do as we continue to carry out the 365 Challenge.

Reports are being received daily as to what God is doing through our efforts. Humanitarian relief to Turkey and Syria...Ministry to orphanages around the globe... Food and supplies shipped around the globe, as well as the United States...Training of workers for mental health clinic... Church plant in New Zealand... and the list goes on and on.

Church of God World Missions will not stop until all have heard of the love of Jesus Christ. The goal to evangelize the world could be reached in this generation! The 365 Challenge, through your partnership, is meeting the physical, material, and spiritual needs to the last, the least, and the lost of humanity.

Will you join us in the 365 Challenge?

We need your prayers and your financial support. Our efforts will fail without a constant prayer covering. But we also need financial support to effectively deliver the Good News of Jesus Christ. Our internal statistics show that for every \$15 given to World Missions, we see a soul saved. It is a small price to pay for eternal salvation. Please join us by making a contribution at [www.coAgwm.org](http://www.coAgwm.org) to the 365 Challenge. Your partnership is vital. Join us today as we move past the first 100 days and see the 365 Challenge accomplished.
