Changing our world...one day at a time.

# The Third 100 Days of the 365 Challenge

Church of God World Missions has been extremely busy since the 2022 General Assembly. With 3.2 billion souls yet to hear the gospel message, General Director M. Thomas Propes and his global team are making the most of every day through the 365 Challenge. We are determined to reach the last, the least, and the lost of humanity!

There has simply been no letting up. We have been vision casting at Pastor's Coalitions from Tennessee to California. We have responded to natural disasters from the Caribbean to Pakistan. We have taken short-term mission trips from Japan to Zambia. New people groups are receiving the gospel for the first time. It is amazing!

Here is a multicultural glimpse of what World Missions through the 365 Challenge has accomplished in the first 300 days.

**Project Support:** World Missions broke ground on a new medical clinic in Zambia. Financially partnered with our churches and pastors in Pakistan. Dedicated the refurbished LEAD church in Glasgow, Scotland. Dedicated the new Asian Seminary of Christian Ministries campus in the Philippines. Resources were used to support Bible schools in Jamaica and throughout the Middle East. Provided resources to feeding centers in Thailand. Planted a new church in New Zealand. Constructed an orphanage in India. We are presently overseeing several hundred church building projects worldwide.

**Aid and relief:** Help was sent for Cyclone Freddy in Malawi and Mozambique. Humanitarian relief reached the people of Pakistan. Recovery from natural disasters continued with World Missions assistance in Honduras, the Caribbean, and the United States. Aid also went to refugees in Congo, as well as Arab refugees in Greece. Provided clothing for women ministers in Indonesia.

**Training and education:** Linda's Kids Academy broke ground on a junior high school in Kenya. World Missions leadership participated in the Bethel Women's Conference in Jakarta, Indonesia. Ministry training was a key element in several mission trips to Zambia and Japan. World Missions hosted the first KidsFest in Lusaka, Zambia.

Through it all, the Gospel was preached, and countless souls have been added to the church! Join us in continued prayer as World Missions finishes its first 365 days strong! There is more to come...!
