

GLOBAL MISSIONS AGENT

OPERATION: REACH THE WORLD

► **THE BRIEFING**

Calling all Global Missions Agents!

The 80th Church of God General Assembly hands our youngest recruits their first assignment: the 365 Kids Club Global Missions Agent program. Young delegates report for duty without ever leaving the conference center—gathering intel on diverse cultures, languages, and traditions through an immersive operation that engages all five senses.

But this is more than covert fun. As agents advance from mission to mission, they'll discover the real impact of missionary work and what it means to serve others—graduating with classified intel on God's love and a servant's heart that lasts long after the General Assembly ends.
